SPANISH

YEAR 11 CURRICULUM MAP

OVERVIEW

[Last updated: AW – September 2019]

In Year 10, pupils began Spanish from beginner level, although their previous French knowledge meant that they undertook an accelerated beginners' course. Therefore, the more basic topics, covering vocabulary such as family and home were covered in Year 10. Focus was on transferable language and strategies to reach grades A*-C, such as a good working knowledge of grammar and higher level opinions, reasons and connectives. Year 11 will further develop these strategies, whilst covering the remaining topics and ensuring regular practice of examination style questions.

As this subject is assessed only by examination at the end of Year 11, pupils are strongly advised to revise throughout the year, in order to retain the knowledge needed to succeed.

GCSE 2-YEAR PLAN:

YEAR 10: Youth culture, Home and locality, The Wider World.

YEAR 11: Current study, Employment & Future plans, Lifestyle, Customs and Traditions, Global sustainability.

STRUCTURE	
LESSONS	5 lessons a fortnight [60 minutes each].
CLASS WORK	Classwork will be completed in exercise books (title and date in Spanish should be written in all lessons). Most topics are based on the GCSE textbook, supplemented by worksheets and activities.
DELIVERY	Each topic will be taught through a range of tasks, in order to cover the four skill areas of speaking, listening, reading and writing which are equally weighted in the final assessment. Mock assessments followed by <i>Dedicated Improvement and Reflection Time</i> will take place in lessons each half term.
ASSESSMENT & FEEDBACK	Assessments are GCSE-style questions from each of the four assessment components: speaking, listening, reading and writing.
SKILLS	Students will build on the basic Spanish they learned from beginner level in year 10, to access grades A*-C in year 11.
HOMEWORK	Homework will centre around reading tasks, revision and exam practice.
RESOURCES	Examination style questions and practice for Spanish can be found at: WJEC: http://resources.wjec.co.uk/
RESULTS	Results and data will form both the interim and full reports to parents and will be discussed at parents evening.
SPECIALISTS	Mrs. A. Williams
