November 2021

Dear parent/Carer,

Following the success of last years 'A Christmas Wish', we thought it would be a lovely idea to extend the random acts of kindness to Christmas 2021; spreading **kindness, love, and joy** to others in our local community.

For many of the elderly residents at **Ty Porth Care Home**, the past two years have been especially hard; due to the fact that many of them have been unable to see loved ones.

We thought it would be a lovely idea to spread the Christmas spirit by asking the residents of Ty Porth to create '**A Christmas Wish List**', which Middle School pupils, families and staff could fulfil.

Each year group will be allocated **a list of residents to purchase small gifts for**. Once we have received these gifts we will wrap them in school. We will be working in collaboration with Morrisons, Porth who have kindly donated wrapping paper and wrapping accessories.

There is no expectation or pressure for you to purchase a gift from the residents' wish list, however if you are able to bring something into school for one of your allocated residents....it will make their Christmas!

There will be boxes available in each classroom for you to drop your present/gift into. We will then get all the gifts wrapped and drop them down to Ty Porth in time for Christmas!

Kind regards

Porth Community School Wellbeing Team
