7th April 2022

Dear Parent/Guardian,

As a school, we are intending to run a school trip to Drayton Manor on July 21st. This trip will obviously depend upon any COVID restrictions being in place at that time.

Our aim is to make this trip available to all pupils in Years 7, 8, 9 and 10. However, the school will reserve the right to prevent students from accessing this trip based on the following behavioural categories:

When we return to school after Easter, if any pupil is involved in behaviours that result in any of the following, they will not be eligible for the upcoming trip:

- Any behaviours that result in an exclusion.
- Any behaviours that result in an isolation on more than one occasion.
- Any behaviours that result in reflection on more than one occasion.
- Any pupils that have truanted lessons.
- Any anti-social behaviours break times or lunchtimes.

I'm sure you will understand and support the school in this process as it is our intention to make the trip an enjoyable experience for everyone after a very challenging period of time. For those pupils who do not attend the trip, there will be a program of activities based in school.

The price of the trip will be £30 per pupil, however we intend to undertake some sponsored activities in school to help reduce this cost. Letters for a £10 deposit with parental consent will be distributed after Easter and a payment plan can be set up with the school to pay the balance once deductions from the sponsored activity is made.

Thank you in advance for your support regarding this upcoming trip.

Yours sincerely

Mr Jon Williams
Head of Middle School

Headteacher – Yvonne Jones
