15th December 2021

Dear Parents/Carers

I would like to thank you all for your support over this last term. I have been very proud of the pupils and how they have dealt with the ever changing situation in school with regards to Covid.

It has been lovely to start to see some normality returning and children having the opportunities to take part in extra-curricular sport, "Technocamps" and trips that are more recent.

Clearly, we still need to be incredibly careful and are constantly risk assessing in relation to Covid and this will continue into the New Year.

I would urge that all children use lateral flow testing before the return in January and I would remind you that children should not be in school, should they display any of the symptoms, as advised by Welsh Government.

When children do return in January, masks will still be required in the Nythbran building, which still includes lessons, unless they are exempt.

We will be returning to school on Tuesday the 4th of January 2022.

I would like to wish you all a Merry Christmas and a safe and Happy New Year.

Yours sincerely
