23<sup>rd</sup> April 2021

Dear Parents and Carers,

Further to ongoing risk assessments around Covid guidance, we have noticed that the end of day processes for Hazel and Yew classes need to be reviewed.

As such, with effect from Monday the 26<sup>th</sup> of April, the collection times will change. Hazel class will now be collected at 3.00pm and Yew class will remain at the 3.10pm collection time.

It is important that you do not arrive more than five minutes before your child's collection time as this is causing some congestion in the collection area and works against our Covid risk assessment.

Should you arrive early to collect your child, your child will be immediately brought to you, to enable you to leave the school site safely.

Please note that should you wish to discuss anything with the teachers of these classes, that an appointment must be made with them, by calling the school on 01443 682137.

Your assistance in adhering to the above changes and your support of the school is greatly appreciated, as always.

Yours sincerely,

Yvonne Jones  
Headteacher
