Thursday 13th May 2022

Dear Parent / Guardian,

RE: Parent Information Evening

We would like to invite parents of foundation phase and key stage 2 pupils to join us for an information evening on **Thursday 19th May 2022 at 4:30pm in Y Goedwig** hall at Porth Community School. The information evening will provide details about an exciting reading initiative as well as information regarding Curriculum for Wales which begins in September 2022.

Reading Eggs

We are excited to announce the launch of Reading Eggs at our school. Reading Eggs is a fun and interactive reading programme. It teaches and supports pupils in learning to read, and to become more confident and fluent readers.

During the evening, there will be a presentation on how Reading Eggs works as well as guidance on how Reading Eggs can be used at home to support your child's reading. Our pupils have already started using Reading Eggs in class and are really excited about the new programme; access at home will support your child in becoming a better and more confident reader in an independent, fun and engaging way.

New Curriculum for Wales

There will also be a brief presentation on the new Curriculum for Wales which launches from September 2022. This will transform education, encouraging pupils to become "ambitious, capable learners"; "ethical, informed citizens"; "healthy, confident individuals"; and "enterprising, creative contributors".

We hope you will join us to find out more about these developments, and how you can help at home.

Yours faithfully,

Mr Lee Wyburn
Direct of Communication
lee.wyburn@porthcommunityschool.rctcbc.cymru

Mrs. Ganda-Jenkins
Director of English and Literacy
