Dear Parent/Carer

It has been a lovely first week, welcoming children back into school. I have been very impressed with the way that they have responded to the changes and how well they are keeping to social distancing, which is key in reducing the risk of spreading the virus.

I know that a number of children have applied to return to school next week. Those that applied should have received a letter this week confirming your child's day and time to return. Please can I remind you of the importance of adhering to the times that have been provided to you. Children cannot return to school unless you have applied for a space and have received the return information.

If you have not applied but wish to do so, please e-mail Sarah Wilkins at sarah.wilkins@rctcbc.gov.uk

Many thanks for your continued support with home learning – work is still being set and should continue to be completed and returned.

I know you will be anxious to know what the arrangements will be for September, however, we have not yet received any guidance from Welsh Government, as to what this will look like.

Please continue to keep safe.

Yours sincerely

Yvonne Jones
