COMMUNITY SCHOOL

15th June 2020

Dear Parents and Carers,

We notice from our records that you did not complete the parent survey, with regards to the school re-opening on the 29th of June.

As per our previous communication, I can confirm that by not completing the survey, we have assumed that your child will not return to school on that date.

However, the survey has now been re-opened until midday on Wednesday the 17th of June and we would be grateful if you could complete the survey, for us to effectively plan for the school opening week commencing the 6th of July 2020.

As you will already be aware, all of our school communication is via the school app on Piota. For those that have yet to download it, please go to the app store and search for Piota Schools (21st Century). When you click to download, it will ask you to select the school you wish to connect with and then it will download the correct app for you. You will only need to select the school once, when downloading the app. When opening the app in the future, it will automatically load as Porth Community School. Once in the app, select the three lines in the top left corner, click on settings, then channels then select which year groups you would like to receive notifications for.

Please let us know if you have any problems downloading by contacting us at admin.PorthCS@rctcbc.gov.uk.

Yours faithfully

Yvonne Jones
